“ I had the pleasure of being Josue's Supervisor at the SMT gaurd shack. He was a professional and a very dependable employee. While working with Josue I got to know him on a personal level. We would Joke around about all kinds of things. He was also very passionate about the Spurs. We would have all kinds of discussions about them winning and losing. It made working with him fun. As time went by I had a change of position to a Dispatcher. While in a meeting with my Supervisor, I highly recommended Josue of filling my spot as a Supervisor. Josue then later was promoted to a Dispatcher. He was an amazing employee and an amazing person. You will be missed. Rest in peace.

“ Josue and I grew up together in the Guard Shack at SMT. He was the hardest working and most dedicated guy and we all respected him for that. We spent many evenings and overnights eating big lou pizza and listening to the Spurs games on the radio. We would celebrate the wins like little kids and dissect the tough losses like we were the head coach. By the end of our discussions we knew that if Pop just listened to us the Spurs would be unbeatable. I am grateful for the time we spent together and the companionship we shared. Josue was a blessing to my life and I will carry our friendship forever. God Bless and GO SPURS GO!
