“ To the Family of Joyce: it was with great sorrow that I read of Joyce's passing. I worked with her for many years and was very fond of her. The picture is great as she would always talk about her walks around the apartment complex where she lived with her dog. As some have stated, after she retired I would think about her but lost touch which I regret as I always liked talking to her. I will remember her whenever I think of Continental Floral Greens and the time we spent in the back office.

“Michael, Amy, Melissa-I remember all of you stopping by CFG to visit your Mom at work many times over the years. She spoke fondly and affectionately about all of you after each visit. On Mondays she would celebrate the weekends that she spent with you guys, retelling us the highlights, funny stories, etc. Your Mom was very proud of all of you, appreciated you and loved you dearly.

Joyce was a very warm and friendly person to all. Not only that, she was very, very competent at her job. I forwarded my Divisional bills to Joyce weekly for many, many years and I can honestly say that I cannot ever recall her making a mistake. Whenever I needed to check if something was paid or audit an invoice, she would drop everything to help me resolve any problem. We became great "work friends" and it was always good to see her, as she had a great sense of humor.

Joyce departed CFG maybe 5 years before I did. Of course we lost contact, but I would sometimes recall her and wonder how she was doing, even recently.

It was very appropriate you pictured her on this page with a dog. I know that Joyce loved children and animals. Any photos I had of my kids or our dog she would gaze at lovingly. She once told me a story about being a young child and laying on the floor while all the newborn Puppies of a brand new litter crawled all over her. She said it was the most wonderful feeling in the world and she never forgot it.

Hopefully you are doing that again now Joyce. You were a wonderful person and sowed smiles, warmth and laughter everywhere. May you reap what you always sowed. God Bless you.
