“ Joyce was my mentor and my friend. I met her in 2001 when I went to Garden Center meetings for the first time. She taught me all about Christmas Cheer and then I started helping with the plant sale. Her knowledge of plants has never ceased to amaze me. Then I started with Judges Council and her designs were fabulous, and she did them so easily. I can still see her and Joyce B quietly talking side by side as they just put together those designs! And she was always kind, even if she disagreed with you. And her family meant the world to her. She talked about them all the time.

I, like everyone else, was not ready to lose her. There was so much more I wanted to learn. I loved talking to her, listening to her. I loved her.

My most sincere sympathies to all of you.
