“ I knew Juan for almost 11 years. I believe god put Juan in my life for a reason. He was a very generous, kind, simple, humble man, he was my boyfriend and best friend. He would take me to my Dr appointments and encourages me to continue with my treatments. He would give me words of encouragement to never give up. I thank god everyday for such a wonderful remarkable man. I am heart broken that i couldn't be there because of my illness. I know it's not the end but the beginning of a new life. Babe i miss you I love you and see you soon.
