“ My dad had a way of explaining things that were very close to truth without giving the main reason as to why. In turn, it would allow for me to reveal my truth. He already knew the truth. After some time it allowed us to be closer. These lessons were applied back and he too allowed for more truth. I loved every second shared knowing this man. I miss him very much. I love you Dad. Give mom a besito and hug from me. And I kept my promise mom.
