“ We lost an amazing human who I am forever grateful for; Tio Toño was one of the most energetic, fun, kind, and loving human beings I knew! He knew how to give us the best nicknames and always made us laugh! He was a true description of a kind giant; he portrayed strength and kindness through all of his actions and through the way he behaved toward me and my loved ones.

*Tio, te quiero mucho! Rafa, La Pizza, Yareni y yo te queremos mucho y te vamos a extrañar más de lo que te imaginas. Se que te vi hace unos meses pero quisiera haberte visto antes de tu partida y tomar esa oportunidad para decirte “Gracias por ser quien eras y por quererme a mi y a los míos como nos quisiste.*
