“ *Uncle Johnny, I miss you so much, already. When I think of you, all I can see is your beautiful, big smile. You were the life of the party, the one always cracking jokes, the one who helped without hesitation, the one who made sure to let his family know how much he loved and appreciated them.*

*I'm going to miss your big hugs and all your love and laughter. Your heart was so big and so warm. Our world will be much more quiet without your physical presence in our lives. With such a pure and warm soul- I know you have been welcomed graciously by the Lord. Even still, I wish I could give you a big tight hug; to hear you say "I love you, Mija!" one more time would be so healing.*

*Your family is going to miss you dearly, Uncle Johnny. You were so loved. You are so loved. You will be in my heart, always.*

“ I miss you so much, brother. I feel content knowing that God has a much larger purpose for you in heaven that He has called you home and you are forever resting in eternal peace. You will not be forgotten. I love you so much.

*Your loving brother.*

“ Johnny was a thoughtful, kind, and loving person. He had placed the needs of others before his own, always showing concern for those around him. Bernard and I will deeply miss your smile, our conversations, and the hugs that reflected your loving spirit. We will miss you. Love you, Cuz.
