“ My cousin Johnny and I go way back, we were team players in a bowling league, years and years back. I will do my best to find a picture when we used to bowl together and share it with the rest of the family. And if my memory still serves me correctly Jose Luis (Baby) my brother was also a team member.

My deepest condolences and prayers to all the Lopez Family especially Irene (my prima) who cared and spent her time trying to make life easier for Johnny. He was blessed to have her in his life caring for him.

My prayers goes out to the entire Lopez Family.
