“ Tio Johnny, thank you for the memories you have given me as a young niece and for supporting and helping Tony and me. God knows how much you helped us at our Lake Path home.

Thank you for continuing to live and leaving your legacy to our Mendolia Family. We have big shoes to fill and walk in the steps of your kind heart, great wisdom, and humility.

Continue to protect my cousins, your grandbabies, and Tia's with your spirit. Fly high Tio Johnny, our Heavenly Father and his angels needed you at the Golden Gates of Heaven.

Love always - Your niece Monica Olivarez

“ Juan you are no longer physically with us, you will forever remain in our hearts and your spirit will always be felt. Thank you for coming into our lives and enriching all of us. You were an amazing person that showed us all how to live life to the fullest and give back to others. I clearly remember 1973 our first year in High School young boys living it up starting our lives sharing the fun with Sylvia and Rachel our girl-friends what pairs of crazy kids. Your dad probably looked at us cross eyed, the rest started was history.

I see your children and grandkids are very respectful, and wise certainly a chip off the old block brother just like Juan when I talk to them.

I salute you to a live well lived. All your dreams came true bro while on this earth clearly the family you left on GODS Green Earth will fine after all you train them well. The runway is clear you have your gold wings and the green light set 2024 go in Peace and GOD Speed bro.

“ Grandpa I will miss talking to you everyday. We could talk for hours and never run out of things to say. I will miss our morning spent together, watching Wheel of Fortune & eating my favorite chorizo tacos that you made. Thank you for all the love and support you gave me. I would come home from work excited to tell you about my crazy ER stories, & you would always tell me how proud you were of me. It's going to hard not being able to talk to you everyday. You loved so deeply & cared so much for everyone. I know you're so happy in heaven, no longer suffering & surrounded by God's glory and love. You are my guardian angel now. This is not goodbye grandpa, but I will see you later. I love you so much forever & always
