“ *Mr. Ramirez was my parent's (Frank and Nancy) neighbor for almost 11 years. First and foremost, Mary Lou, thank you for sharing your loving Papa with my family. Your Papa was like a Dad, Grandpa and Great Grandpa to our family. My daddy and Mr. Ramirez had a very close relationship and spent some great times together. They both enjoyed going out to lunch together or sitting on the patio enjoying a cold one. Our family will always cherish the memories we made with him throughout the years. May the memories help you through the hard days ahead. Please know that you will be in our thoughts and prayers during this difficult time in your life.*
