“ *from the Limon family
To the Sanchez family my deepest condolence
I had a pleasure working with mr. Sanchez Ms Sanchez cleaning up the church on Fridays and after that he would take us to Alicia's restaurant to have breakfast I remember one day I told him I bought a old house and Mr Sanchez set what do you need for your house I said I need an air conditioner and before i know it mr. Sanchez brought it to my house.
And Mr Sanchez came a couple of times to pray over me he said God sent him to do it he said no matter what you're going through it will pass through but I had to keep praying
Thank you mr. Sanchez*

“ Rita,

My deepest heart-felt condolences to your family. I never had the privilege of meeting your father, but I know one thing for sure -- he raised a very talented, intelligent, hard working, strong-headed woman! You and your family are in my thoughts and prayers.

*Keep smiling,
-- Lisa G.*

“ *Daddy, not a moment goes by that I don't miss you or wish you were here. But, I am reminded that you are here.....the pennies from heaven, the prayer on the radio, the serviceman in his camo blues, the song on the radio right now...."Turn, turn, turn" by the Byrds. Thank for for sending signs of strength. One day at a time.....that is what you believed. I love you daddy. Miss you so much.*
