He is survived by his father; his loving wife and soul mate Mirea; his daughter and light of his life, Lumen Aurora Villarreal; sister, Aurora Villarreal; brothers, Benito Villarreal, Ramiro Villarreal and wife Laurie; nephew, Matthew Villarreal; nieces, Vanessa Butler, Samantha Butler, and Lola Villarreal.

JP was a Spurs fan and a Pearl Jam fan, but most importantly, he was a devoted and loving husband and father. His world revolved around making his family smile. JP was a shining example of what a husband and father should

be. He was best known for his infectious smile and his wild sense of humor. He made everyone feel loved and welcome and like they were lifelong friends and family. JP was everyone's best friend and favorite person. He lit up the room with his silliness, his laughter, and his storytelling. He gave advice from the heart to anyone that would listen because he wanted everyone to be their best self and by doing this, he made the world a better place.

"And wherever you've gone  
And wherever we might go  
It don't seem fair  
Today just disappeared  
Your light's reflected now, reflected from afar  
We were but stones, your light made us stars"  
-Light Years by Pearl Jam
