

Juanita Ramirez Enriquez

January 1, 1930 - January 30, 2021

It is with profound sadness to announce the passing of Juanita Ramirez Enriquez of San Antonio, TX, who left us to be with the Lord Saturday, January 30, 2021. A woman with a true servant heart courageously succumbed to her 8 year battle with Alzheimer's at 91 years of age. Seldom has God given so much to many people through one woman. We know she is reunited with her love of her life Tomas Enriquez.

She remained a shining example of humility and respect. She will be remembered as a loving and caring daughter, sister, wife, mother, grandmother, great grandmother, great/great grandmother, aunt, sister-in-law and friend. We are so thankful we were able to be by her side the moment she went to Heaven. Each daughter and son gave their blessing to Mom as she left us.

Juanita was born to Candelario and Virginia Ramirez on January 1, 1930 in San Antonio, Texas. She is preceded in death by her parents and husband, Tomas Ugarte Enriquez (June 12, 1991) with 45 wonderful years of marriage. She is survived by her nine children, Mary Jane Madrigal (Moses), Tomas Enriquez Jr. (Sylvia), Alice Flores (Enrique), Eddie Enriquez (Patricia), Guadalupe Herrera (David), Ernest Enriquez (Diana), Sally Enriquez, Danny Enriquez (Lorena) and Virginia Enriquez Ramirez (Jorge). Also survived by 24 grandchildren, 35 great grandchildren, and 5 great great-grandchildren. She is also survived by her sister Rosita Alvarez and sister-in-law Julia Enriquez.

Juanita was a true woman of character and faith. She was a generous, caring and religious woman with a true servant's heart. She will be remembered for always blessing you as left her presence. Juanita was very active in church activities and she volunteered many hours at St. Jude's Catholic Church. She was a member of the St. Jude's Guadalupanos Society and served in leadership roles for many years. She participated in various fundraising projects and was especially proud of the funds they raised for local charities. She served in many other volunteer roles at church always working to bring all the Glory to God. She was a Eucharistic Minister in church and an Extraordinary Minister of the Eucharist for the homebound and sick. This ministry allowed her to be a witness to all with the Presence of the Lord. She could not think of a greater gift than for one to take Christ and gift Him to others. Those who came to St. Jude's witnessed her being a person of love and service, giving them the greatest gift ever- Jesus. The love and care in her ministry helped bring all together as the Body of Christ. A well-spoken but humble individual, Juanita leaves behind a legacy of love and empathy, dedication and devotion, and patience. She was truly selfless often putting aside the needs of her own for others. She will be missed by all who knew her. Juanita was employed at Edgewood Independent School District in various capacities until finally working in administration as a secretary to the principal. She retired after 30 years of service with the Edgewood Independent School District. Upon her retirement, she attended the Oblate School of Theology to earn her certification to teach religious studies at St. Jude Catholic Church which was near and dear to her heart.

She was a powerful force behind her family and she was supportive in every way possible. She enjoyed singing, gardening, crocheting and sewing. Her greatest and favorite patron saint was the Virgen of Guadalupe. She believed in the "Communion of Saints", the spiritual union between the living on earth and the saints in heaven. She often called on Our Lady asking her to intercede on her behalf to God.

Juanita believed strongly in the Power of Prayer and raised all her children

and grandchildren with same beliefs. She was an incredible person, loved by so many and her story will go on. She had a beautiful life and her family and friends will cherish all the memories made.

“His master replied, “Well done, good and faithful servant!”

“ Our deep and heartfelt condolences to the Enriquez family. My memories of tia Janie go back to a time long ago when my parents and siblings would visit tia Janie and tio Tom at their home in San Antonio. They shared a love for unity, social activities in which all the family participated and it was fun for all of us. Their first daughter and I had identical names. Those were the good times! Throughout the years after my uncle’s death, tia Janie remained optimistic and retained that sense of humor that was so special. Her love and devotion for her children and grandchildren never wavered and that love that she held so dear was reciprocated by her daughters, sons and extended family. I see her life as a love story that has not ended but instead now just begun. May your memory be a blessing to all!

On behalf of my husband, Harry and my family thank you for the memories!
