*From the moment I met Juanita, I knew we would be great friends. She had a wonderful sense of humor and every time we were together or talking on the phone we laughed a lot. I always felt better after our conversations because she would end it with "love you". I have lost a very dear friend who felt more like a sister, and will miss her more than I could ever say. She is now in Heaven with Bill (the love of her life) and other family members who passed away before she did.*

*Love you, Juanita*

“ *Sorry to hear of Juanita's passing. She used to visit mom and dad (Roy & Ruth Saunders) frequently when Paul was working on projects at Rio Grande College and in our area. She took us to Fenton Glass for a tour, one time. I remember her offering to buy me something at the gift shop. (I think mom wouldn't let her.) I always enjoyed riding in her big, luxury car when she drove us places. She was a kind and caring person. I enjoyed getting to spend time with her.*
