“ One day while shopping in hobby lobby I met the most wonderful lady and made a very good friend we shared sewing and quilting and we had just finished making a baby quilt for a gift. She invited me to pizza night at her sons and I got to meet a lot of the family who I have really enjoyed being around. She surely will be missed by all and my condolences to the family I am so sorry for your loss and my friend. God bless you all and keep you safe. Love Sonja Howard
