“ Ms. Jule has been my Angel for many years. She shared many stories about her nephews, nieces, Timmy, Wendy and Lizzy, Tammy, Ralph and Barbara and the list goes on and on. I remember how excited she was planning her yearly family gathering. I was Blessed to be included in many of her gathering. She was very creative and made everything look easy. I remember her knotting blankets. I thought to myself I can do that so I bought the material and she taught me how to cut and knot. Well it was not as easy as she made it seemed. She rescued my project and completed my blanket. Many years ago at a previous job my co workers took turns baking cakes and they asked me why don't I ever bake they were being a little on the ugly side. I shared the story with Ms. Jule she was not very happy with my co workers. The next day she called me early in the morning, she had baked a beautiful tasty cake. She said this is for you to take to work and tell your co workers you made it. Once again she had rescued me. Ms Jule was so great and this can be a never ending story. I will close out by saying she was a Mother to me. I love you Ms. Jule

“ Like all the beautiful threads she used to create her quilts my Aunt Jule expertly weaved together her family members who were separated by distance. We united. We bonded. We shared. And now we can continue adding cherished memories to our lives, always keeping her near and dear in our thoughts.

Love you to pieces Aunt Jule.

“ As Mom and I sit here and search for the words to say in remembering Aunt Jule. With chuckles in our remembering we note that a lack of words was never the case for Aunt Jule... she had words, many words that were caring, always willing to help, always willing to share her experience with those that would care to listen.

A bible verse that comes to mind is from Revelation 12:11-12a and it reads, "And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death.

Therefore rejoice, O heavens, and you who dwell in them!"

In a phone conversation Aunt Jule and I spoke of this Lamb Jesus. In her life she was willing to lay hers down to help. Heaven is rejoicing at her arrival. And she is too now that she dwells there.

We love you Aunt Jule. Rest In Peace.

“ Aunt Jule was such a blessing to me. She lifted me up when times were low. We would talk for at least an hour and she would always tell me a funny before our goodbye. Aunt Jule loved baking the cakes for birthdays. One year she even hosted my twin granddaughters nineth birthday. What a crowd there was. She loved every minute of family times. She was an example of a womens courage and strenght to us. I will miss her but know we will see each other again. With my love Kathy

“ My beloved Aunt Jule made it her personal mission to keep her late brothers children and the Busch side of the family close. My dad ,her older brother,had passed in 1982 leaving my sisters and brother without nearby ties to my dad's side of the family, except for Aunt Jule and our cousins Elizabeth and Wendy and 2nd cousin Tim. I am thankful for her tireless efforts to keep us near. She hosted so many wonderful family gatherings with a flare of uniqueness. I learned a lot from my Aunt Jule.

An amazing, energetic woman of many talents, she was always willing to take the time to teach us her crafts. I will cherish her handmade gifts forever.

She will be forever in my heart.

Love and God keep thee, Barbara Jo Busch

“ I remember Aunt Jule at the Springwood house and conversations with her, Elizabeth and Wendy. She was my stepdad's sister and they shared a lot of love between them. I am sorry for your lost but I know that Jule and Eber are looking down upon us. Rest in peace Aunt Jule.
