“ *Tia Julia was by far my strongest aunt ❤️ She always said what was on her mind and in her heart. Growing up and going to family events, I knew if Tia Julia was there it was going to be a great time for my mom. I can still remember the days of my beautiful tias, Lily and Julia pulling my mom out of her shell. Lily with her heart of gold and Julia with her confident personality. Your flashy sense of fashion, long dark hair and gorgeous red lipstick made you light up every room you walked into. Tia Julia, thank you so much for loving and caring for my mom when you two were together. You weren't just her sister in law, you were her best friend.*

I give thanks to God that you were able to meet and hold both of my boys and I will always remember all the advice you shared with me.

*We will miss you always and love you even more,
Norma Hernandez and family ❤️*
