“ *Mrs. Villarreal, I personally didn't know you but I felt as if I did. Becky shared so many beautiful memories of you with us here at work. She loved and loves you with all her heart. I know for a fact you were loved by so many and will truly be missed. Condolences to the family from my family and our work family here at CCAD.*

“ Mrs. V, we will forever remember you,

I will remember your smile, your kindness, your friendly demeanor towards everyone you met. In all the years I knew you, I never heard you raise your voice towards anyone, that is, unless the Spurs or Cowboys were losing. Then, everyone heard you. You were a true fan.

Thanks for welcoming me to your family without condition. It was an honor knowing you.

May god bless you as I'm sure he has and may you Rest In Peace.

Your humble and honored son in law,

Roger
