

Julia Weathington

December 5, 1936 - June 11, 2018

Julia Weathington was born on December 5, 1936, in Eufaula, Alabama to parentage of the late Joe and Fannie Smith. Her death came after a lengthy illness. She was surrounded by her family and friends at the time of her death. Ms. Julia was preceded in death by her five siblings.

She loved her family and always instilled in her children, grandchildren, great-grandchildren, great-great-grandchildren the importance of God in their lives and getting a good education.

She accepted Jesus as her personal savior at a very young age. She was a faithful and dedicated member of Joy Temple God in Christ Church, until her health failed.

She loved fishing and cooking big meals and having family and friends and friends gathering for fellowship.

The Lord peacefully dispatched his angel to call Julia to her final resting place. There will be no more worries nor more pain and suffering, now you are finally free. You have lived a good life. Rest in peace mom we all love you very much.

Julia's memories will be forever cherished by her children:

“*Julia Weathington, you have left us with so many great memories. I will never forget your signature words “I say” “I don't mean no harm” and the words you always say when you see me “Your hair is really growing”. I thank you for giving my mother life, who has given me life, and I have given my children life. I will continue to grow through your wisdom and follow the Lord. Because of you and my mother I am the woman that I am today. There will always be laughter and love when I speak your name. I am very proud to call you my grandma; now our graceful angel. The Lord has taken care of you, “He that believeth and is baptized shall be saved” Mark 16:16. You left us with several signs that you were going to the Lord's house “And these signs shall follow them that believe. In my name shall they cast out devils; they shall speak with new tongues” Mark 16:17. I hope to see you again one day. I love you grandma and always will.*
