“ *Julio was a great neighbor. He always said hi whenever we were outside. When my mother in law got sick he would come out to ask how everyone was doing. He and Yolanda were so kind to us and always said let them know if we needed anything that they were always there. My 7year old will miss him cause he thought of him as another Grandpa. We will never forget him. Sending our love and prayers to the whole family.*

“ *It was an honor and a privilege to be the nurse to care for Mr. Avila. Not only was I lucky enough to be his nurse I recognized him as part of my family and I think he felt the same about me. From the first day I met him he reminded me of my own grandfather. He was such a funny, entertaining, cool character that never failed to make me laugh. The world will be a different place without him in it. Rest In peace papa* ❤️
