“ My family met Julian and his family during a retreat in Shreveport. He wrote the most cutest letter to my daughter of how much he loved her at about the age of maybe 7 or 8. Two cute kids bringing a family together.

“ I remember Julian as a good, kind hearted young man, who had a great sense of humor. I pray for Daniela, who was also a sweet young lady and student of mine, and pray for her family, and friends. I ask for peace and comfort in this time that must be the safest time a family must endure. I ask that they find comfort that he is in heaven, and happy, where there is no more pain. Give them the hope that he will have a great meeting, and reunion with them someday. Jesus forgives, and paid for all sin, and even saved the robber who died next to him on the cross! Jesus tells us that “the free gift is eternal life” through his sacrifice. And the Bible tells us that “we are all sinners”, but Jesus came to save sinners. God says that Jesus “became sin, so that we could become righteous”, and we can appear perfect, and sinless in God’s eyes! I hope Gods promises bring some peace to Julian’s family and friends.

“ Julian was a student of mine at Harris Middle School. He was a great kid! I also taught his brother Christian and know his mother. I pray that God would strengthen Julians family during this time. In Jesus name.

“ *Julian was a friend of my son Justin. May your soul rest in peace. May God comfort your family with sweet memories that will find there heart comfort always. Can't imagine what it's like to loose a child so young. May God also shine a light to your road to heaven. RIP*

“ *Julian was one of my students and was a lighthearted young man that always had many interesting and funny things to say in my classroom. He was one of the students that I could count on to have a good conversation with. Julian was one to help those in need around him and would defend the common good with his sense of righteousness. He was one of the few to ask me how I was doing personally and that meant a lot to me. It saddens me to know that Julian is gone and I offer prayers for him and the repose of his soul and his family that the Lord may offer some comfort to those he left behind.*
