“ Our deepest condolences to the family of my long-time friend Julian E, Solis. May the Peace of the Lord be with you during this difficult time.

I first met Julian in 1964 when we were in the U.S. Air Force and stationed at a radar site near Goose Air Base, Labrador. Julian was not only a friend, he was like a brother to me. He was always there to offer advice or to give me words of encouragement when necessary.

Julian always had good things to say about others and would place their matters or concerns above his own. That's the person Julian was; that's the way he will be remembered and that's why he will be greatly missed by all of us

*Lord Bless Julian, Mary and all the family,
