“ *How I will miss her! She was always happy to see me even though she never called me by my name. I met her when, I was wearing high heels, I had to chase her across campus so she would not jump the fence to Dairy Queen then called on staff for help.... she laughed, she thought it was funny :-D*

“ *Julie was a sweet young lady. She enjoyed her dolls in her room, and being able to hold and cuddle them daily made her smile. Julie will be sorely missed by all of us here at the San Antonio State Supported Living Center. We were honored to serve her.*
