

Julie Nicole Mott

August 15, 1989 - August 8, 2015

Julie Nicole Mott age 25 of San Antonio passed peacefully in her sleep at home on Saturday, August 8, 2015.

Julie was born on August 15, 1989 in Fort Worth, Texas to Tim and Sharlotte Mott. At the age of two, Julie was diagnosed with Cystic Fibrosis but she refused to have it define her life. She spent her youth just like all the other children, playing soccer, competing on the swim team, and developing lifelong friendships. Julie grew up with a close knit group of girls. From first grade to present day, from the East Coast to the West Coast, they all share a very special bond with Julie.

Julie was seven years old when she discovered her passion for horses. She began taking English riding lessons at the age of nine and was quickly competing in horse shows and, later, show jumping. She was never more at home than in the saddle. It was this love of horses that laid the foundation between Julie and her best friend, Evan.

Julie lived her life in a house full of love. Her family was deeply devoted to her living as normal of a life as possible. Perhaps her greatest relationship was the one she had with her mother. The bond between a mother and her daughter is always strong, but theirs was stronger. Through the doctor appointments and the hospital stays, the love they shared for one another

grew with each passing day.

Julie will continue to live in the hearts and minds of those who had the pleasure to know and love her.

She was preceded in death by all her grandparents, her Uncle Garry Bearden, Aunt Pat Mott and the love of her life... her horse, Benny. Julie is survived by her Parents, Tim and Sharlotte Mott; her Brother, Jon Mott and his Wife, Tiffany; her Aunts and Uncles, Tom Mott, Carolyn and Jim Morehead, Nickie Green and Elaine Bearden; and numerous Cousins.
