“ Hello Melendrez family, my name is Tori Villarreal. I went to St. Mary Magdalen with Julieanna. We were actually best friends, and I still have a picture of us in either 1st or 2nd grade where we were sitting on the sidewalk together at school coloring on the sidewalk with chalk. I remember seeing her jersey hung up in the gym till i graduated and even after when visiting.

Im now 25 soon to be 26, and every so often I remember Julieanna. I remember how we sang "On Eagles Wings" at her visitation mass and every time I hear that song I am reminded of her and how amazing of a person she was.

I guess im just writing in to let you know that her memory is still very much alive, and it forever will be with me.

Much love, Tori <3

“ Laura,

I worked with your Aunt Virginia and she would always talk about Julieanna, and although I never met her, I was fond of her because of the stories Virginia would tell me about her. What I will remember the most is what she would call Virginia "

“ Dear Laura,
Your daughter was an inspiration to my older girls when they would practice with her. It amazed me how this little girl could run up and down the court and not be affected, but my older girls would be huffing and puffing. She lit up the room
