“ *Julio was a kind and generous, warm-hearted man, with a keen interest in other's views and a beautiful sense of compassion. His poems flowed with joy and humour, and a childlike wonder at the world. He will be sadly missed. - Obsteve*

“ *I read Julio's poems and played chess with him on Gameknot --- an internet Chess club.*

*He wasn't much of a chess player:), but his prose was at times exquisite*

*We all miss his commentaries in the numerous gameknot clubs that he was a member of.*

*The candles are lit and I fully believe that we will all see Julio later.*

*Thank you all mighty God the Father for giving us Julio Reyes. We all know that Julio is now at peace in Your majestic arms Amen*

“ To A Very Dear Friend (Julio)

*To sense when a pal experiences grief  
Has me suffering such sorrow in chief  
Companionship with nothing to get  
I ache what he's endured and met*

*To observe a buddy with a grin  
I beam too that same day all-in  
An amity I'd saunter a kilometer  
I'd journey more than a repeater*

*To heed a companion filled of mourning  
Causes sadness to me without warning  
An acquaintance I didn't use  
There for him I'd never abuse*

*To perceive a comrade drop a tear so meek  
Have teardrops descend down my cheek  
Camaraderie will continue many years  
And one I cannot substitute with peers*

*But to listen an ally chuckle out noisily  
Has me tumbling down in amusement easily  
Closeness which I can be pleased  
In my existence gladly I'll have him teased*

*I distinguish this associate for what he is  
I believe in him being a whizz  
In nighttime skies he is my star  
Because he is a colleague without par*

*-Francis- (kewois of Gameknot)*
