Medbury

June Mavis Medbury 'nee Bennett' was born on January 18 th in Brooklyn, New York.

June was preceded in death by her husband, Charles; parents, Ed and Eva Bennett; sister, Joan Bennett; brother, Bill Bennett and great grandson, Louis Andrew. She is survived by three sons; Charles and his wife Lesley, Scott and his wife Lou Ann and Mark and his wife Suzi. She leaves a new generation of seven grandchildren and eight great grandchildren.

June also leaves behind her Angel on Earth, her caregiver, friend and the daughter she never had, Virginia.

June was a true American. She drank milkshake after milkshake to gain enough weight to join the Army- Air Corp. It was during her time at Wright-Patterson she met her beloved Chuck, a very dashing pilot. It didn't take long for the two to fall in love. They both said "our first kiss we knew we were Home". They went through the ups and downs of military life until Chuck retired in San Antonio. It was here they chose to raise their three sons. You can imagine how busy the household was. The entire family enjoyed yearly vacations of fishing, camping and hunting for rocks.

We can't forget the trips made to see Gram. She was famous for her sour cream date cookies and rice pilaf.

After Chuck retired, they bought a ranch in Nixon, Texas. The Rebel Ridge Ranch on Union Valley Road where they raised Beefmaster Cattle. June could call a 2800 Lb bull to the fence and feed it out of her hand.

June missed the ranch after having to move into town with Chuck's declining health. After his death she remained at her home on Atwater until her health became a problem. She then moved to Sterling House and was there until her death.

We all know she is in Heaven having a great reunion with all of her loved ones.

Those of us left behind will truly Miss Her.
