“ June was a very special person; fun to talk and laugh with. She was always so appreciative of me coming over to walk Taffy. I will miss them both.

“ For almost 30 years we have enjoyed June as a dear neighbor and friend. Her memory is still fresh in our minds and her absence is a stark void. She and Taffey were loved and will be greatly missed. Love,

“ June was a beautiful person and such a bright spot in my life. I still can hear her saying, "Here's Donna" to Taffy when I would come over to talk to her and walk Taffy. I miss her very much! May loving memories bring you comfort in this difficult time
