April 28, 2012

Justin Leonard and Joshua Agustin Barajas

Justin and Joshua Barajas, loving brothers forever, were called away into their heavenly home on April 28, 2012 in Houston, TX. Justin, 25, born on October 30, 1986, in San Antonio, TX, 2005 graduate McKenna Charter High School, Mountain Home, ID, was the household chef and passionate caretaker of his family. Justin had a giving spirit and never hesitated to help when called upon, no matter the task. Ten months ago he donated his kidney through the donor transfer program so that his aunt could continue her life. Joshua, 21, born on January 25, 1991, in Zaragoza, Spain, 2009 graduate Mountain Home High School, ID. Josh "DJ J.A.B.S" was an upcoming DJ in the entertainment industry. Win or lose he had a smile for everyone to see and words of encouragement for others to live by. Josh never doubted his possibilities and as an organ donor his potential for helping will go on being recognized. So loved beyond any measure they are both survived by their parents Armando SMSgt, USAF, Ret and Deborah Layman Barajas of San Antonio, TX, big brother Jason, little sister Jazmin and cousin Alexandra Layman. A close knit family, bonded together at every corner Justin and Joshua left behind to continue our family bond: Grandparents Leonard Layman and Minerva Lozano Layman, Grandmother, Dora Barajas; Loving Aunts, Linda Howarth and her children, Barbara Layman her partner Melissa, Lena Layman and Shirley Strickland; Karen Layman, extended family and many friends who knew and loved them dearly. As an Air Force family we traveled throughout

the world, both Justin and Josh participated in various sports and competitions and will be truly missed by many Air Force family members, community centers, coaches, teachers and teammates. Arrangements were made with Mission Park South Funeral Home, San Antonio, TX. A home family service will be conducted. In lieu of flowers, donations will be accepted.
