“ Tino was a man who worked hard without complaining, he had a gentle humor and a deep sense of responsibility for family. His legacy lives on in the family he raised. Heaven is richer, although his presence missed here on earth.

“ Grandpa,  
Thank you for all the love you gave me and the time we shared together. From watching *The Color of Money*, playing pool, and spending weekends at your house, to hanging out at your shop and talking about the Dallas Cowboys—those moments meant everything to me. I’ll always remember being by your side while you cooked, our trips to Sam’s Club, watching baseball on the couch, and, of course, all your funny jokes.

*I will carry those memories with me forever.*
