“ Karen was a great friend, a fun person to be around, the person in the counselor's office that made sure any recommendation letters I sent were grammatically correct, a fun band parent that loved the opportunity to get out on the field with other parents to do the Mambo. She was a treasure in my life and a lifelong friend since 1986. She will always be missed but hope to see her again someday.

“ Todd and Heather. I am so sad to hear about your Mother's passing. She was an awesome woman. Her love for her family was unconditional. I know your Dad was so happy to see her but I also know how difficult it is for you here. Lots of love and prayers for all of you 🙏❤️
