“ I am wondering if this was my High School math teacher. Could anyone tell me if she worked for SAISD at one point? My condolences to the family and friends.

“ Dear Kim, Chris, Cary, Justin & Brittany, Karen was a wonderful person - her friendship was a gift from God. I still cannot believe she is gone. I will always cherish the time I had with her as a friend and neighbor.

“ I was Karen's massage therapist. She was a delight to have each month. I loved getting to know her and hearing about all of her travels she was planning. She had a beautiful spirit and contagious laugh. Her birthday was exactly one week after mine. She loved purple, goats, books, her family, cruises. She seemed like a lady who put in 100% at her job. She worried a lot but knew how to take trips and plan time for herself. Which reminds me of myself. I knew something was wrong when she didn't show up for her massage. She was a very punctual person. I will miss her dearly. Much love and condolences to the family. She was a beautiful person.
