“ Karen - your smile and laughter made us all feel great. So many silly yet fun days and night with Polly and the gang. Your passing leaves a void but your love of life filled that void for all. You're Cee's angel now. She's in good hands. 🙏

“ Karen has been a friend, a life coach, a mentor and co-worker for about 27 years. Karen had a design for living her life, happily and with the one she loved the most. The love she possessed for Cee and for all of her family and friends goes beyond words. She was a true example of decency and love. I always admired everything she was and everything about her. It gave me hope that kind of love and happiness with ones life still exists. The dear lord has gained a beautiful angel. I will miss her dearly. ❤️

“ Eternal rest grant unto Karen, O Lord. May the perpetual light shine upon her and may she rest in peace. Amen!  
Cee, I was so sad to hear about Karen. You both have always done so much for my mother and I am forever grateful. She always had a smile on her face. My mother talks all the time about her and Karen going "buzz" shopping and that funny poker chip. Mom said Karen will just have to hold on to that chip until they see each other again in heaven. She was a great person and I am blessed to have met her.
