“ I remember my "Aunt Karen" fondly, and always will. She had an engaging smile and laugh and always sweet to me. I was sad when she and Rick broke up. I am glad she was doing the work of a giving person, she had the heart for it. God bless all her family at this time and always.

“ My dear Kari, when I think of your sweet Mama I hear her warm voice and great laugh. She had such beautiful smile. I remember having so much fun with her whenever she came to Dallas to visit. She was kindhearted, warm and a good hugger. And I think funnier than you. I'm grateful to have known her and so thankful that she made you, my best friend. I love you. Much love to your family. Rest in great peace Karen.

“ My family moved next door to Karen's family in 1962. Great family to live next door. The memories I have of Karen are embedded in my mind and heart. We both love to dance to the music of the 60's and 70'. We were both on the local San Antonio dance show *Swingtime*. We attended summer camp together at Herman Sons in Comfort and she was voted best all around camper. Everyone loved her. She's back with her family now and I bet there is a ping pong game going on . I will miss you sweet Karen 🥺

“ *Karen was a sweet friend. We ate a lot of Mexican food, in search of the perfect chips and salsa! Karen enjoyed the company of friends and family, and traveled to visit as many as she could after retiring. She was as sweet as they came and will be sorely missed. My condolences to her family.*

“ I loved playing Bunco with Karen we had such a great time. She would tease me about matching my nail polish to my shirt all the time. Like me she was happy to have some girl fun. I will miss her terribly. I was so proud of her when she went on her River Cruise. It takes guts to do that alone. I admired her. Beautiful person inside and out. May she rest in peace in the arms of God. Until we meet again.

“ *My heartfelt condolences to the family of Karen. I worked with Karen for a short time in San Antonio. I remember her smile and contagious laugh and how much she loved her family. I am so sorry for your loss. Sad that I am unable to attend the service as I have moved out of the area.*
