“ Joan and Bill lived twice in our area over the years so we were blessed to get to spend a few years with them. Joan survived much trauma in this life and still managed to keep a good attitude. God bless her big family at this time may they and us keep good memories of their folks close to heart. Jim and Martha Hudgens

I've just come out from under a rock and this is what I found when attempting to find my family. My heart aches knowing I will never see her again. She was a very special person as well as a beautiful mother nothing can fill the void her passing has torn in my soul. I'm sorry my brothers and sister for not being able to deal with my ptsd in a way that would've allowed me to take part in your lives I miss you all terribly. 520-272-7884

“ So many years of memories. We had wonderful times together, and I will miss our telephone conversations that Joan and I have had throughout the years. We shared memories together and she was always “up”, even though she was not always feeling the greatest. A wonderful spirit, and that smile you see always shone through. God bless and keep you all.
