“ I had the pleasure and honor to work with Kathy for 18 years. Kathy was always willing to help and had a remarkable memory! Always a smile for everyone. Rest in the arms of Jesus sweet friend.

“ Miss. Kathy, you will truly be missed. I will definitely miss you. For many years you were a part of my life. I loved when you came into the room to talk when I was in Ita's room and when I worked with Jennifer. Your chats, your laughs and every deal of the babies even when they were older. You helped raise so many kids and you taught me so many lessons in life and you probably didn't even know it. Today my hearts hurts but I know you are happy with God and your family. Today I will remember you in the rocking chair on your lunch. Rest well my dear friend. Thank you for loving me and my family.

“ Miss Cathy was the most loving person! She took such wonderful care of my children while they were at Shepherd of the Hills. She always remembered them on their birthdays and took the time to let me know if anything was going on with them. She would laugh and laugh every time she talked about Darren and how he would smile abs dance when she was walking to him with his bottle. And how my daughter Maddy would sleep at nap with her behind in the air. We love you and will miss you always!
