MM

“ My condolences to the family. Dr.K was a tremendous teacher and imparted her knowledge with enthusiasm. She will be greatly missed.

Michael Smith, M.D. - March 03, 2005 at 12:00 AM

PM

“ Kathleen was such a wonderful person with an incredible sense of humor. I learned so much from her over the years I knew her as both a professor during my residency and as a colleague. I will miss her dearly.

Peter E. Ramirez, M.D. - March 03, 2005 at 12:00 AM

RM

“ Kathy will be greatly missed. Her contributions to the staff and fellows of the Medical Examiner's Office over many years were invaluable, and her friendship meant a great deal to all of us.

Randall Frost, M.D. - March 03, 2005 at 12:00 AM

ML

“ The most memorable rotation during my residency was Dr. Kagan's neuropath elective. I'll never forget all of those afternoons we sat together at her scope with the teaching sets and talked about neuropathology. After we would go through all of the slides,
