

## Kathleen Grace Komray Sams

January 30, 1947 - March 14, 2007

Kathleen Grace Komray was born on January 30, 1954 in Duluth, Minnesota and passed away on March 14, 2007 in her sleep. She lived in several different states traveling with her parents before ending up in San Antonio, Texas. She graduated from John Marshal High School, then going on to San Antonio College where she pursued one of her many passions, Broadcast Journalism. She made many commercials for her father who was in the automobile business in San Antonio at the time. To her father and San Antonio she was known as <sup>3</sup>The Sweetest Deal In Town<sup>2</sup>. She was definitely our family's <sup>3</sup>Sweetest Deal In Town<sup>2</sup>. Kathy went on to Trinity University earning her degree in Broadcast Journalism where she worked at many different jobs throughout the years. Her two great passions, though, were her family and horses. Kathy was a born again Christian who accepted Jesus Christ as her personal Savior at a very early age. She pursued her faith with a love of the Lord. Kathy married Charles G. Sams in 1982 and after 24 years of marriage, he survives her, as do two children, Kevin M. Sams and Shannon K. Sams; mother, Virginia Southard Komray; sister, Patricia Perry and husband James of Boerne; sister, Marilyn Swinehart and husband William of Pennsylvania. She is also survived by numerous nieces and nephews. <sup>3</sup>I want to thank the Lord for the 24 years Kathy was in my life and also thank you the people whose lives Kathy touched<sup>2</sup>

“ *Sorting through my mother's pics, as she passed away recently, I came across a set of pictures from 1970 or 1971, with Al, Ginny and Kathy, and my parents and me, at our house in Springfield, Ohio. I remember many visits back and forth, our parents being friends, and Kathy and I being nearly the same age (so we were included.) I thought I'd see if I could track her down, knowing that they moved to Texas. I had no idea that Kathleen had passed away - and not recently, either. I am so sorry to hear this, and I know my condolences are very late, but sincere. I am so happy to see that Kathleen was a born-again Christian, as am I, so the assurance that we will meet again comforts me since I missed knowing her as an adult. Again, my sincere condolences to all.*

“ I was so sorry to hear that Kathy had died. We were friends in high school. I even did a couple of TV ads with her! We have not kept in touch, but we did get to visit at a Marshall reunion a few years ago.
