“ I just found out about Katie's passing. Although we never met in person she always brought a smile to me making both our jobs a little more bearable during stressful situations. I am truly sorry for the family's loss. God Bless.

“ My sweet loving Katie; she started a few months after I did at Providence and we instantly became friends. We shared alot and she gifted me with vintage jewelry, purses because she knew I loved that. A true friend of 17 years. Katie I am glad we spoke earlier this year and that I told you I missed and loved you. I will treasure your gifts but the most beautiful gift you gave me was your loving friendship 💜
