

Katrina Reyna

May 8, 1978 - November 17, 2017

On Friday, November 17th Katrina Reyna went to be with the Lord after a battle with cancer. She was born in Port Arthur, Texas, and lived the majority of her life in San Antonio, Texas. Katrina was so in love with her husband David Reyna, and overjoyed to be the stepmother to Peter Reyna. She was the beloved daughter to Oluf and Beckie Sandersen, and David and Vickie Simmons. She is the granddaughter of Eva Walker Denison. She is survived by godparents Bob and Melanie Linder. She will be greatly missed by her brothers Jeff Sandersen and wife Samantha; Cliff Sandersen and wife Brandy; Nicholas Sandersen and wife Shelbi; Nathan Simmons; and sister Kimberly Crowder and husband Nathan. She is preceded in death by her brother Oluf G. Sandersen (Chip).

Katrina's joy and liveliness will continue to shine on to those she loved and those who loved her. Though we are broken hearted, we find comfort in knowing the battle is won, and now she rests healed in the arms of God.

“ We met at 16 on our first day working at HEB. We met for senior lunches and decorated friends' cars together. We went to A&M together and attended our 1st Aggie Bonfire together. I brought her to the Baptist Student Ministry and we were in the same Fish Care Group. We were workout buddies in college and beyond. When we were back in San Antonio, she invited to her singles group at Castle Hills (at one of our many lunches where she introduced me to the best Asian restaurants in town and dissected my love life). And while there she introduced me to my now husband. She stood with me in my wedding, shooed for me while I was pregnant on bed rest,adequate the song list for the DK at my wedding, and was my anchor. It was the most precious thing to meet her amazing husband and realize how very perfectly God had answered my prayer for her. She will be missed every day until I get to see her again.

“ Miss Simmons, (as we knew her back then) was a phenomenal Teacher. My son Joshua Hanson loved her so much. She attended one of my son's basketball games. He shot and made a 3 pointer, she screamed, running up and down the side lines with her arms up in the air, "YES! DID YOU SEE THAT?! YES! HE'S MY STUDENT, YES, THAT'S MY BOY!" She ran up to me and hugged me after that wonderful display of pure love! Joshua and I will NEVER forget that or her. She was such a powerful beacon that God placed on this earth for children to be drawn to. We will miss her so much! God's speed my sweet friend, heaven has gained a precious Angel, she will be missed. ❤️🙏

“ Sending my deepest sympathy to Katrina's entire family. She was such a special person and I was so fortunate to know her and to work with her at Schulze Elementary for many years. She touched so many lives, including mine. May she Rest In Peace.

“ One of my favorite memories of Kat was when we roomed together on a mission trip to Africa. One afternoon we were each sitting on our bed resting after a long morning in the streets, our mosquito nets were down and we had been talking about the day...when she whipped out her African money and started shuffling it out of her hands...and started singing a song, “I wanna be a billionaire.....” We laughed SO hard and that has still been a favorite memory for both of us. I miss you already, my precious friend.

“ Oh my gosh, where to begin! It was so long ago that I met Trina, and so many memories. I can't think of just one in particular, but what I loved about her was her heart. She was such a sweet, kind, fun person, always smiling.

Concerned for others, taking care of others, she was just like her mom. :) I enjoyed the cookouts at her moms place when she came over, going to her church to see the children from Africa sing and perform, (that was beautiful!), being part of her wonderful family, doing Bible study with her, Beckie & Mel, just so many memories. Her love changed the world for so many people. Katrina will be greatly missed by so many of us.
