“ Hello Sweet Man,
Almost two more months have past and you remain in my thoughts as I think you always will, it's been almost 10 months now. Got through the 19th and 26 of October and now November with December fast approaching. Before long it will be a year since you left us.....
I've almost entirely quit going to VW, too hard without you there. I know you're in a better place, free from pain but it doesn't keep all of us from missing you.

Hope you got my latest balloon I sent you yesterday. It took forever for it to get high enough to disappear, hope you got it.HUGS

“ Three months today since you left us..
Time seems to go by so fast, yet it seems missing you has only gotten worse.
Remembering your smile, your laugh, your sometimes giggle,your kindness, generosity, and even stubbornness make me smile. Until I realize I'll never hear or see or experience them again, and it makes me so sad. I know you're with God now, free of pain where everything is so much better for you, but the selfishness in me sometimes wins out, and I want you back. Rest in Peace my dear man, watch over all of us who loved you.

Sherry Laine - May 19, 2017 at 02:46 AM

“ Hey Sweet Man, Warriors won the first game but not by much. Next game is either tonight or tomorrow.....keep your fingers and toes crossed, I am. lol Miss you so very much.....

*I read of a man who stood to speak
At the funeral of a friend
He referred to the dates on his tombstone
From beginning to the end.*

*He noted that first came the date of his birth
And spoke the following date with tears,
But he said what mattered most of all
Was the dash between those years.*

*For the dash represents all the time
That he spent alive on earth.
And now only those who loved him
Know what that little line is worth.*

*For it matters not how much we own;
The cars, the house, the cash,
What matters is how we live and love
And how we spend our dash.*

Your dash was well spent Keith, very well spent/

I have to make up for all the time I missed being able to talk to you those last few days :(I hope you know I tried, as did many of us. We were all cut off from speaking with you, something I'm still trying to understand and forgive...But you were in our thoughts and prayers. I didn't abandon you.....God Bless

Sherry Laine - May 13, 2017 at 10:57 PM

“ I'm sure you know....and it's silly I'm reporting to you but the SPURS smeared the Rockets in the last game and won the series. Tomorrow night, the Spurs play the Warriors.....ouch. lol I will still bet the Spurs for you but that's going to be a rough win.....but the Spurs have heart so maybe.....

Missing you as much today as yesterday...

“ OMG, the series is tied now hon. Rockets and Spurs play in San Antonio tonight. San Antonio is favored, probably because it's a home game...AND the Rockets have a key player out. If you watch basketball in Heaven you will be on the edge of your cloud tonight. I'm still betting the Spurs even though I'm from Houston. See how much you affected us all....lol

Sherry Laine - May 08, 2017 at 01:44 PM

Sorry, I guess they don't play until tomorrow night.

Sherry Laine - May 08, 2017 at 11:14 PM

“ *Spurs won thank goodness but they play the Rockets again tomorrow night....and the Rockets are heavily favored. Probably because they're playing in Houston. Anyway, I bet the Spurs anyway...lol
Happy Cinco De Mayo hon, I know San Antonio will be rocking today.....miss you.*

Sherry Laine - May 05, 2017 at 01:11 AM

“ *Hey Sweet Man, you'll never believe it but the Rockets beat the Spurs last night. They're playing against each other again, tonight, I think. Anyway the Spurs are still favored so I placed another play bet on them for you. Hope they win this time...lol*

“ Keith, you're missed more with each passing day.....I found this card I was going to send to you it says:

"Sometimes what looks like falling apart is actually everything falling in place

Keep hoping, keep believing, and know that things are going to turn out fine."

Turning out fine is not how I had imagined. Turning out fine, ended up you being with God, and me starting to apply all that you taught me. I know my life will be better for having known you. Thank you Mr T, you meant the world to me.
