“ *Mr. & Mrs. Woods and Russ. I did not know Kelley had passed away. My heart aches and I am feeling sad for your loss. I remembered it was her birthday yesterday and I was going to send her a belated birthday greeting on facebook, when I found out she had passed. We still remained friends after all these years and we would communicate by facebook from time to time. As a christian I know she is in heaven with our Lord and Savior. Ignatius "Nacho" Vara*
