“Hi everybody, my heart goes out to Kelly and my heart is full of memories of her, even from 41 years ago. She was such a sweet little girl and always had kindness in her heart. I know that Kelly and her mom Charlotte are together in the presence of Jesus Christ. Yes, I remember your mom's kindness as well, and I remember those delicious ribeye steaks she used to make. I remember little Kelly at the dinner table exclaiming, "Delishin, delishin!" And she was absolutely right. And of course I remember little Dana, so sweet and full of energy, and of course, Mr. Rice, the man of the house, the business man, and good father. Kim, I remember your mom calling your dad, Beau...even then, I knew that was so special. And Kim, I still remember your beautiful face and the sweetest and kindness in your heart. I have always wished and hoped that you have been blessed by our Father with peace and happiness. Thank you for attending my brother Johnny's funeral. I remember exiting the chapel at the end of the funeral with my daughter Brandi in hand. I remember seeing two young ladies sitting at the back of the chapel, which I acknowledged. At the time, I had no idea that was you Kim, and Becky. At least know somehow later, I realized that was you...at least I have always been 99% sure. Blessings to you, in the name of Jesus Christ, to you and all of your family. You still live in my memories.

Love,
