“ We never got to a chance to watch you dance on your wedding day
Or hold Lennon tight on days you did Cosplay

*A beautiful heart can never really fade
But the hole in my heart might never heal the day you went away*

*We never saw the baby we knew you loved so much
Or the first words of a baby in love, with his mother's first touch*

*I'll always remember your smiling face the sparkle in your eyes
The moment you told us all a babys gonna change your life*

*So I already miss you, in the blink of an eye your gone
And it will hurt forever more, but your in Heaven with Lennon*

*Dont you know we'll always miss you like the night without the moon
Hold the gate open Kelsey, cuz we'll all be home soon.*

*My dearest Kelsey and Kennon,
My heart swells with the sweet and funny memories your life brought to our family. Bob, Eliot, Liam, Hailey, Jordan, and myself will carry you close to our hearts for time eternal. So many great and kind times, I know you sleep with your beloved son ...with the angels. Your innocence and zest for life were understood by loved ones. Broken hearts love you dearly. Your potential was immeasurable, your empathy and kind words , kind and vast. What a lovely person and great spirit.... we will never stop loving you. Knowing you for 20 years, I had great aspirations for you.... and as kind and generous as your heart is, we all will see you in our moment. My love for you reaches across the universe. You know we have been there and will never let go of any part of your kind spirit. You always will be a part of Bob, Eliot Hailey, and Jordan, Liam and myself.
See you soon little Angels—
Just your Shelby—
And all of us that love you!!!
