

Kendall Anderson

October 20, 1971 - November 24, 2014

Kendall A Anderson, born in San Antonio on October 20th, 1971, passed away on Monday, November 24th, 2014, at the far too young age of 43. He is survived by his young son Parker, age 8, his parents Marilyn Anderson & Kenneth Anderson and brother Wesley Anderson, his grandmothers Betty Finley and Lucille Fisher, aunts and uncles, Nancy Rea of Sierra Vista AZ, Susan & Michael Kirk of San Antonio, Jim & Linda Fisher of Austin, TX and numerous cousins and extended family members.

Kendall attended Medina Valley High School in Castroville and finished his high school education at McArthur High School in San Antonio.

Kendall was a man with a wealth of talent, a passion for music, dancing, a love of good food, with a light in his eyes and a smile on his face. He was a wonderful father to his much loved son Parker, his number one priority at all times, but he held all of his family and friends dear. Kendall was always willing to give of his time to help anyone with a need at any time, the first to offer to lend a hand, whether moving, building or repairing something, or digging holes in the backyard. He worked in construction doing remodeling and building decks for more than 20 years, owning and operating his own sub-contracting company, Diamond K Diversified, for over 15 years. Last year Kendall went to work with his mother at Rolling Oaks Golf Club to fill a much needed spot as operations manager. As usual, he did much more than what the job description called for, working in every area from building & ground maintenance to fence building to equipment repair, to whatever was

necessary to keep the business running smoothly.

He was much loved and will be greatly missed. His passing has left a hole in the hearts of his family and friends that will never be filled.

A memorial service will be held on Saturday, November 29th, at Los Angeles Heights Presbyterian Church, 2002 West Olmos Dr, at 5:00 pm. In lieu of flowers, the family requests a contribution in Kendall's memory to be made to the American Diabetes Association.
