“ *We were so sorry to hear of Kenny's passing, but are sure that he and Carol are happy now to be back together. We have many, many memories of baseball games that our sons played with Kenny, Jr. and then in recent years our grandsons played together. Baseball brought our families together, and we will cherish the memories made out on the field. This weekend, being opening weekend of deer season will see us out of town, but our thoughts and prayers will be with the family. Dana, Kenny, and Logan, we send our condolences and deepest sympathy to you and your families.*
