“ My prayers are with the family and many friends. We were truly Blessed to have him in our lives and as believers, we will see him again. He is with his heavenly family.

I had the great pleasure to see him after lunch on Sunday 9 Oct 2016. He told me that he had eaten or was going to eat. He said it was his mom who taught him how to cook. He was so happy that day. He had just talked to my brother and his family about an hour before. He eagerly grabbed his yearbook to show me pictures of my brother in his yearbook. He giggled in delight. An awesome memory.

Kenny always watched out for us. I know my parents thought of him like another son. We are all devastated and stunned. Hugs for the family. Patricia (Trishy) from across the street.
