“ *Ken was always so friendly and kind. It was obvious how much he
loved his wife Judy and so proud of his family! Although we didn't
have a lot of time spent with him due to most of our family living in
Ohio and Ken being in Alaska and then choosing to spend his life
here in Texas. I'm proud to have been his cousin and part of the
Ward family. With love and the Peace of the Lord to all! Marilyn

Ken was always a wonderful nephew to my father. It was such a joy to see them together talking and laughing building families together. Family is everything.
