“ My dearest husband in heaven, there is not a day that goes by that I don't think of you and miss you.
So many times I hear you throughout the house and I smell your presence. As crazy as it sounds, I have felt you sit on the bed and I know you were watching me sleep like you use to always do. Our girls and grandchildren speak of you often and they miss you. Even though you were sick for twenty years, we were blessed to have you as long as we did, you put up a good fight and stayed with us as long as you could. We love you always.
