“ *Kevin was one of a kind. Words cannot express how we all feel by losing a brother and a great friend. When I was going through Chemo last year he was always making me laugh because I had no hair. He would always tell me how good I looked, even bald. I will miss his laugh and silliness at our party nights. People come in and out of our lives, for a reason, and Kevin was given to us to make us smile and laugh. We will miss my our dear friend. We love you!!! Have a good time with Mark :)*

“ I met Kevin over 25 years ago via the Ranger American connection. We didn't stay in contact over the years but I've never forgotten Kevin and never will. The video made me smile, remembering trips to the coast and dove hunts. Kevin was always protective and kind. I'm saddened of his passing and offer my sincere condolences to his family and friends. Kevin was one of the good guys in this World.

“ I have known Kevin almost 20 years since Ranger American days. We started off as friends throughout the years until my daughter married his best friend Jim. After that he was part of our family where he was not only a close friend but he was also a brother, an uncle and a mentor...to myself, my daughters and to my grandkids. He came to just about every family holiday and every family function. I don't know how I'm going to handle it without seeing him or his bright (and ALWAYS clean) red truck not being there anymore! Kevin will truly be missed.

Funny you mention his truck. My wife and I were remembering Kevin the other day. Besides the fact he was always genuine, we remember that every time we had pool volleyball weekend at our house, he would not leave until every beer can or trash was picked up.

Kevin was extremely organized in every way possible. He house sat for us one time when we went out of town. When we got home, not only was our house clean but he had also reorganized our refrigerator and trimmed our trees. Kevin was unique in his own special way.

“ Not sure where to start cause there were so many great memories of Kevin. I will say this he was my brother for 25 Years. I met him first at Ranger American and he kinda took me under his wing me being 18 years old. He stood by my side at every failure and I learned so much from him. As the years past and we all went to work for different companies and Kevin and I remain always close. He was and is the brother I never had. As you know with all relationships family and very close friends we had our fair share of arguments but the brotherhood bond stayed true. I will miss you dearly and you will always hold a place in my heart until we meet again. See you later Kevinator I love you brother.

Ohhhh, Jeanette, I have pondered for hours searching for the right words to say there are no words to express the depth of sadness and sorrow I feel knowing we have lost our special Kevin.

Everyone who knew Kevin will have special memories when thinking of him. My memories will be all the hours Kevin and I spent just talking out on the patio when you and I headed to the coast on annual trips.

Seventy years of friendship I feel qualifies as a BFF. Although not in person know I am there in love and spirit all through this life tragedy.

Love You,

Carolyn.
